General Manager's Update

Dear Donors

This Festive Season your Society brings Gifts of great value, and we hope that through these Gifts you will find courage in the Power of Caring.

Our First Gift is that of Service: Unrelenting Education and Professional Veterinary Care.

Our Second Gift is that of Integrity: The value and worth of every donor and their contribution is respected, while delivering dividends and capital growth.

Our Third Gift is Talent: Every one of us is either an over-achiever or one in the making.

Our Fourth Gift is Relationships: Respect, Trust, Passion and Accountability is paramount in our quest.

Lastly, the Gift that we are most proud to Give is LOVE.

This Gift empowers, strengthens and sustains us, and we know that in the Giving of this Gift we can change the world.

So we wish you a remarkable and blessed Festive Season knowing that service delivered with integrity, supported by talent and outstanding relationships is the greatest love with which we can bless both man and beast.

Kind Regards

Heather Müller
